Cracow, 19th July 2005

To Whom it May Concern,

I confirm that Paweł Dobrowolski - architect has made an architectural practice for 10 month as full time project assistance at **INTER PROJECT GROUP Ltd.** based in Cracow at Królewska 5/8 Str. The practice included architecture, interiors & urban projects, creating computer models, visualizations, animations and drafting computer projects documentations. During his work he has contributed to the following designs: single family house at Wielmoża and Sidzina, mall in Legionowo, shops in Cracow, Fountain in Częstochowa, Entrance in warehouse in Zabrze, details of railing renovation in blocks of flats in Cracow, stock-taking and project conception of enlargement of crypt and museum at "Skałka" – famous Cracow architectural monument (church and monastery), kitchen in St. Francis Convent in Cracow.

Mr. Paweł Dobrowolski proved his very good theoretical and practical knowledge. He is efficient in ArchiCAD, Artlantis, Corel Draw, Photoshop, Windows, Word, Excel, AutoCAD.

He also help to solve computer problems and malfunctions.

If you need more information do not hesitate to contact me +48 601807946
